COVID-19 Guidelines For Businesses in East Lansing

What do I need to do to keep employees and customers safe?

- Require face coverings to be worn by all customers and employees
- Post signs at entrances instructing customers of the face-covering requirement
- Install physical barriers/partitions at cash registers and other areas where maintaining physical distancing of six feet is difficult.
- Post signs at entrances informing customers not to enter if they are sick or have recently been sick.
- Clean high-contact areas regularly.
- Provide physical guidelines, such as tape on floors or sidewalks and signage on walls, to ensure that customers remember to maintain distancing when in line.
