COVID-19 Guidelines

For Everybody in East Lansing

When do I need to be wearing a mask?

- When in places open to the public including schools, stores, take-out places, and restaurants (unless seated at table)
- When outside in Downtown East Lansing
- When on the Michigan State University campus, inside buildings and outside
- When participating in an organized sport in practice or competition (even Quidditch)

When can I take off my mask?

- When seated in a restaurant at a table to eat and drink
- When receiving a service where temporary removal is necessary (ex., upper lip waxing)
- When communicating with someone who is hearing impaired

Note: Individuals who are under age 6 and those who cannot medically tolerate a face covering are exempt from masking requirements. For more information, visit hd.ingham.org
