## **ASSIGNMENT FOUR**

*This assignment should be completed after watching/reviewing the seventh module of the ELi Reporter Training, Photojournalism.*

Using any camera available to you, please submit FIVE photos. Each photo should include a subject, and should show off a variety of points of view. The five photos should exemplify five of the elements of strong photo composition, including:

1. Rule of thirds
2. Leading Lines
3. Framing
4. Depth of Field
5. Repetition

The photos should be submitted in a Google Folder as five separate jpegs. This should be accompanied by a document, detailing what each photograph accomplishes as it relates to the compositional element it exemplifies.
