Subject: National Foundation Formed Following Uvalde School Shooting Launches East Lansing School Safety Investigation
Date: January 29, 2023 at 11:33 AM
To: [REDACTED]

Amid Recent Reports Made Public, Pertaining To School Safety Concerns, Coupled With Requests From Area Parents & Students At East Lansing High School; The Uvalde Foundation For Kids, A 501c3 Nonprofit Organization, Formed Following The May 2022 Robb Elementary School Shooting & Currently Working Currently With Newport News, VA School Shooting Concerns; Announced Sunday That It Is Opening Its Own Independent Investigations Into Growing Student Safety Concerns At The District School. This Comes Recently After Students Staged A Walkout Protesting School Violence This Last Week.

An Official Report & Suggestions To Be Presented To School Board Officials Will Be Presented Following The Expected Lengthy Inquiry.

The Foundation, Dedicated To Ending School Violence & Supporting School Districts Across The Nation In Addressing Safety Concerns for students & staff; has already begun In similar processes, over the last several weeks at schools In Rochester, NY, Richneck Elementary School In Virginia, Akron, Ohio and North Pines Middle School In Oregon.

IN ADDITION To Its Investigations which involve extensive meetings with parents, students and staff; hopes through its findings to provide additional Resources/Answers To Arwa School Officials Struggling To Address The growing Momentum of the Student Safety issue Across the nation.
