Dear Saginaw County Board of Commissioner Members:

I have heard rumors that there is consideration being given to terminating the employment contract of County Controller Robert Belleman. If the rumors are true, and while I am unfamiliar with the reasons behind them, I want to unequivocally state my support for Mr. Belleman from a personal standpoint.

During the past three years that I have been Chief Judge Robert has always been professional and supportive of the courts and helping us move things forward. I wanted to write this letter to you all expressing my opinion because unfortunately I will be out of town next week and unable to attend the board meeting on Tuesday in person.

If any of you have any questions or would like to discuss this with me further please do not hesitate to contact me. Thanx.

DARNELL JACKSON
