Hello Everyone,

This week I received individual questions from members of the Council regarding Mr. Mays and if the information provided through the news media was considered by MML. I wanted to let you know that a background check has not been done for any of the candidates at this stage in the search. Generally, a background check is conducted once a conditional offer of employment is extended to a candidate, and they accept the offer. I also wanted you to know MML was not aware of Mr. Mays leaving his position and as a result, the information was not provided to the city. Our reference check and social media check did not pick up the information. Please contact me if you should have questions.

Joyce
